

Ambulance cover application

for NSW and ACT residents only

Single

\$138.00

yearly

Family

\$276.00

yearly

The cost of ambulance services isn't covered under Medicare. So if you need to use an ambulance and don't have private health insurance, you could be out of pocket by a lot. For a small amount each year, ahm ambulance cover protects you from hefty costs in the event you or someone in your family needs medically required ambulance services.

These premiums don't include the Australian Government Rebate on private health insurance. If you're eligible to receive the rebate and want to claim it as a reduction in your premiums, the costs will be adjusted accordingly. Premiums effective 1 April 2021.
