Extras cover

With ahm black 50 it's about you and your teeth. Including benefits towards routine dental, physio, chiro and osteo to keep you feeling good.

50% back on included extras up to your annual limits

The best bit - we let you choose which providers you can claim your included extras from, as long as they are legally qualified to practise in Australia and have been recognised by ahm.

Unlimited emergency ambulance

Includes emergency transport to hospital due to a sudden or unexpected event (1 day waiting period applies). Excludes transport covered by a state scheme or ambulance subscription and non-emergency transport eg. transport from hospital to home.

Tas and Qld residents are covered by their state schemes.

What is a Waiting Period?

This is the set amount of time you must wait before you can receive benefits for a service included in your cover. If you switch to us from another private health insurer or change to a different cover with us, we'll generally recognise any waiting periods you've already served for comparable extras.
