# Extras

With ahm black 50 saver it's about you and your teeth. Including cover for routine dental, physio, chiro and osteo to keep you feeling good.

## 50% back on included extras up to your annual limits

The best bit - we let you choose which providers you can claim your included extras from, as long as they are legally qualified to practise in Australia and have been recognised by ahm.

## Unlimited emergency ambulance

Includes emergency transport to hospital due to a sudden or unexpected event (1 day waiting period applies). Excludes transport covered by a state scheme or ambulance subscription and non-emergency transport eg. transport from hospital to home.

Tas and Qld residents are covered by their state schemes.

## What is a Waiting Period?

This is the set amount of time you must wait before you can receive benefits for a service included in your cover. If you switch to us from another private health insurer or change to a different cover with us, we'll generally recognise any waiting periods you've already served for comparable extras.
