

Your guide to

black 60

60% back on extras. That's extra nice.

Extras

With ahm black 60 it's about you, your teeth and your eyes. Including dental and therapies such as physio and remedial massage to keep you feeling good.

60% back on included extras up to your annual limits

The best bit - we let you choose which providers you can claim your included extras from, as long as they are legally qualified to practise in Australia and have been recognised by ahm.

Unlimited emergency ambulance

Includes emergency transport to hospital due to a sudden or unexpected event (1 day waiting period applies). Excludes transport covered by a state scheme or ambulance subscription and non-emergency transport eg. transport from hospital to home.

Tas and Qld residents are covered by their state schemes.

100% back on optical

Frames, prescription lenses and contact lenses included. For scripted sight correcting products only.

What is a Waiting Period?

This is the set amount of time you must wait before you can receive benefits for a service included in your cover. If you switch to us from another private health insurer or change to a different cover with us, we'll generally recognise any waiting periods you've already served for comparable extras.
