Extras

Here's some classic extras cover that punches above its weight.

No waiting periods on most extras

No time to wait? That's ok. We've waved goodbye to all waiting periods on this cover, except for ambulance, but you can read about that next.

Unlimited emergency ambulance

Includes emergency transport to hospital due to a sudden or unexpected event (1 day waiting period applies). Excludes transport covered by a state scheme or ambulance subscription and non-emergency transport eg. transport from hospital to home.

Tas and Qld residents are covered by their state schemes.

What is a Waiting Period?

This is the set amount of time you must wait before you can receive benefits for a service included in your cover. If you switch to us from another private health insurer or change to a different cover with us, we'll generally recognise any waiting periods you've already served for comparable extras.

Included extras

Annual limits apply and reset every financial year.
